

ANNUAL REPORT FOR THE YEAR 2009-10

CENTRE FOR ACADEMY AND PEOPLE DEVELOPMENT SOCIETY (**CAPDS**) organization is a non-government organization registered under Andhra Pradesh public Societies Act-2001 (Act 35 of 2001) at Adilabad, registration No. 165/2006, our registered office situated at H.No.1-33, Beersaipet, Mandal Utnoor, District Adilabad – 504311.

1. Agarbathi sticks making & Leaf plates making training programme :-

Motivating the people towards livelihood education is the most important and crucial objective of **CAPDS**. **CAPDS** works with this objective of improving the quality of life in the rural and agency areas.

Particularly the poor and socially disadvantaged sections of society. **CAPDS** conducts many livelihood trainings to improve the poor people life style. Thus people below the poverty line. People belonging to the Scheduled castes and tribes, bonded labour, women and people with disabilities are priority focus groups for ready.

Our organization organized Aga bathi sticks, Leaf plates making for women and youth. Nearly 400 members were trained in these courses. They are all now getting self employment by different private sectors. We mobilized

materials and costumers from different areas. We succeeded to get Agarbathi sticks, Leave plates making machines as loans for our beneficiaries from forest Department.

1. Medical Camps :-

CAPDS conducted free medical camp for poor people. Due to lack of health awareness and facilities we are suffering from different diseases. **CAPDS** believe strongly health conscious is more important then any other things in our lives. Because if we strong in healthy, we can work for any thing. Now a days Malaria, Typhoid, Jaundice, Chickun Gunya. These different diseases are coming into our lives, if we do not active to find out it and take precautions for them, we have to loose a lot. Poor people could not afford more expensive to get medical tests and medicines.

They do not take care of their health and their children health. That is why we organized medical camp in which they can come for free check up and get free medicines. So that our society

may be healthy society and that will be for future generation. Our invited doctors gave suggestions to the people made aware of some terrible diseases. We distributed medicines to the poor people. We must keep clean of our surroundings and every person should be health conscious.

2. Awareness camp on Right to Information Act-2005 :-

CAPDS organized awareness camps on Right to Information Act-2005 in (Mandal levels, District level) Urban and Rural areas. This is one of the best Act that made by the Government. We need to utilize such on Act for the poor people. By this Act we can get information from any Government or Private sectors. This is first

step for in development process. We organized these camps in Adilabad District mostly in rural areas that Utnoor, Jannaram,

Narnoor, Jainoor, Sirpur-U, Indervelly, Mancherial, Nirmal, Asifabad, Bellampally Divisions etc.. Resource persons explained about the law and how to get information from different sectors. When people know what is going on in officer, there are no secrets in any programmes from now on

ward. If we pay some amount our application, schemes and plans and budget that Government is ready to spend mostly rural people must be aware of this Act and Utilize for development.

3. Environmental protection & Awareness programme :-

The survival and sustainability of Human species on the earth is linked with the protection of Environment today. Thus the entire world has been give at utmost importance to the protection of environment. United Nations of organization has been showing the way to all the countries in the world through its policies and planning related to the protection of environment. Science and Technology are paving for the protection of different fertilization and pesticides which are in turn causing harm to the fertility of the soil, resulting in agriculture is becoming disasters and farmers are committing to suicide. To check this tendency we have organized a

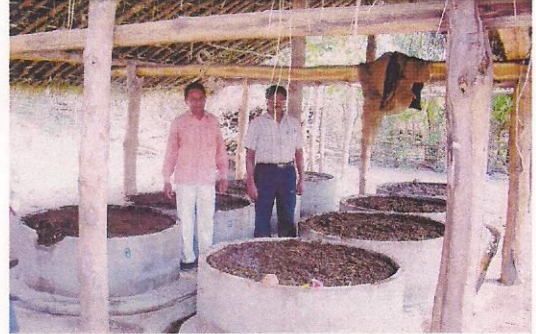

workshop on the manufacturing and usage of Vermi Compost, Bio-Diversity and Climate change with the collaboration of forest department. This programme taken place as

part of the national environmental awareness programme at Jannaram, Utnoor, Narnoor Mandals from 2002 to 2011. Nearly 1600 farmers and 1200 Vana Samrakshana Samithi members are being invited and Agriculture. Forest officials and couples of

Social workers were addressed the farmers and enlighten them to propose Vermi Compost, Bio-Diversity and Climate change.

4. HIV/AIDS Awareness campaign:-

The HIV/AIDS and STD epidemics are now days affecting all aspects like economic, Social and Cultural aspects of people life. Lack education and reluctance of clients, neglecting the use of condoms are largely responsible of spreading of these diseases.

The World Health Organization has remarked that woman in India suffer double disease burden than man from STD. The National Family Health Survey recently carried out in India has appointed out that in most states a large majority of married women have never heard of STD and AIDS.

In this connection, our organization has conducted AIDS awareness camps in rural areas of Adilabad District by organizing

group meetings with rural and urban population, Self Help Groups and Youth.

5. Awareness on Forest protection :-

Our organization organized awareness programme on Forest protection "Jangal Bachavo". We explained about the importance of Forest in our country now a days in the world level also this issue is very serious in present condition.

Cutting forest is very dangerous to our lives. There will be no rain at all in future also. Our future generations will suffer a lot due to our irresponsible work. We explained the need of forest and how to get the benefits from the forest without destroying the forest.

6. JANGAL BACHAO :-

CAPDS held the Jangal Bacho programme in all mandals of Adilabad District. The programme main theme is Save the Forest and Save the Environment.

Nature is natural for a man given to him by the omni potent and omni present, whole the creature failed of pollution. Natural resources are misused of mankind it was noticed that a great loss procured to the living things. Thus with the consolation of the wild life

department the organization in participation with **CAPDS** organized the awareness programs by name Jangal Bachao or in other words Save the Forest. We have gone through the Tribal villages using the Kala Jatha performances, conducted rallies. Village, mandal and

district level Jangal Bachao programme. The common living people have come to know the importance of the forest.

7. Rice, Note books distribution :-

CAPDS helped to the tribal poor people who lost their houses with Tufans. Then our organization helped to the tribal poor people in Dharmajipet, Utnoor Mandal. **CAPDS** Director visited the people who lost their houses and gave some precautions and distributed rice

to the people and distributed note books, pens and pencils to the students. And director gave courage to help them at any time through **CAPDS** organization.
