Dist Adilabad.
3. Project Duration : Continuing.

Meeting was conducted by CAPDS,(Centre for Academy and People's Development Society)\_and CAPDS President M.Vijaya Laxmi on women empowerment gave lecture it is an followers Men and Women are equal in the society boat are playing a vital role in the reproduction in world, but women were looked down upon from ancient period.

Women playing a Multiple Roles as Mother, Wife, Sister, Daughter that is shy women in the society and her contribution towards it is can't express in world.

As male dominating society, women physically and financially considered on week in the society, women brought up in support of father in the child hood, in the young age husband, in old age son, she depended always from child hood to old age, so it showing clearly that women depend upon men.

We praise on the stage and give speeches, about(Women) Durga, Laxmi, Parvathi, Saraswathi, We Perform Pooja, But in reality women were domestically violated, that is Mentally and physically, she was treated as a instrument and Machinery, Looked down upon.

As women was down trodden from ancient period, it not that easy to bring change, it needs lot of counseling, awareness on their right s and every one of us take part to empower women in the society.

Right from the birth trade as discrimination, giving importance to Male Child then female child properly is not sharing equally with male child, Neglects about education, if educated higher difficult to get bride groom, keeping all those in mind will not encourage for higher studies . As a matter of fact if women is education the family also gets educated this is not taking in to consideration.

As the mother and ladies are blessed with God given loving reconciliation and endearing they could be offered a lot in changing the children and society towards a congenial source based on the Love, peace and hope. Hence 150 SHG's meeting have been organized to contribute to being channels of blessing to their respective groups. 20 villages and 4 Mandals. To achieve the participants have been oriented on perils of socials evils, gender in equality, group management, income generation activities, acquiring loans and proper utilization. Etc the participated SHGs members who keep two meeting in one month promised that even with out any back up they are ready to offer their service the society and also

to review activity in their meetings. It was highly visible. When brought many child labor to the regular schools.

We Doing following Activities in Adilabad District.

1. Capacity Building to SHG Groups
2. Disabled women SHG Groups Strengthen Programs

As women was down trodden from ancient period, it not that easy to bring change, it needs lot of counseling, awareness on their rights and every one of us take part to empower women in the society.

## 2.Vocational Training For Youth:

Project Supported by : DRDA/RESETTI Program

Project Areas : Adilabad Dist.

Project Duration : 2014-2015

**CAPDS** responding to the rural drop out youths' skills up-gradation/development needs had set up a Computer training Skills up-Gradation training center at Utnoor Mandal Head Quarter, Adilabad District. The program was supported by DRDA/RESETTI Adilabad through these trainings nearly 120 youths got trained. The trainees, who completed the courses, had been given course certificates. And when understand their present status, we are in exceeding satisfaction. Since most of them having jobs in

different places even in cities too; also few of them are running their own shops in villages earning handsome returns and supporting their families. It also points out that such skills development programs are worthy and need for contributing to the eradication of unemployment in rural areas and moreover the rural youths are also not left behind in such skill-based jobs and studies. This program is one of the highly successful ones among our activities, which utterly contributed to the income generation and reduction of unemployment in rural areas. So the next batch for the training programs is also registered and will start their courses before long.
